

DistinXion Autograph Policy

DistinXion and the Zeller family are pleased to sign autographs for fans of all ages. However, due to several factors, including team compliance issues, the increased unauthorized use and sale of autographed items, and the volume of requests, DistinXion has instituted guidelines for obtaining autographs.

- The Zeller family will only sign autographs at DistinXion events, including camps, when the event has concluded. We respectfully ask that autographs are not requested during events, including camps, so they are not a distraction. Items signed will be personalized to the name of the person requesting the autograph or the name of the person for whom the requestor is getting the autograph.
- DistinXion has a limited number of autograph basketballs available for personal use or for a charitable organization. A basketball may be obtained by filling out the information, below. The cost is a donation of \$150 for a basketball signed by Luke Zeller, Tyler Zeller, or Cody Zeller. Or, a donation of \$450 for a basketball signed by all 3 boys. The proceeds benefit DistinXion, a 501(c)3 non-profit organization. One request per person. DistinXion reserves the right to refuse requests that do not meet our criteria.
- DistinXion asks fans not to send any items to us to be autographed by any of the Zellers. These items will not be accepted and DistinXion has no obligation to return the items.
